ADOPTION OF A STEPCHILD

Dear Prospective Client:

We understand you are interested in talking with us about adoption of your stepchild. Please keep in mind that even the simplest adoption procedure can develop complications. These problems usually revolve around a natural parent's refusal to relinquish all parental rights or the Court being convinced that the adoptive home is suitable.

Evaluation of your case will require an initial personal consultation so that we can understand the facts of your case and advise you about your rights and duties. We charge \$200 for an initial consultation, during which we expect to give you a really good idea of what you can expect to happen in your case.

Before we can begin representing you, we will require (1) a signed contract which explains our respective obligations and (2) receipt of an engagement fee, the size of which will be based on our estimation of the amount of time needed to resolve your case. *There is no guarantee, however, that all of your legal expenses will be covered by this Engagement Fee.*

You will be billed for the amount of professional time required to adequately represent your interests in this matter. Anything and everything you do to complete the attached **STEPCHILD ADOPTION DATAPACK** and to provide any supporting documentation will help to reduce the amount of attorney and paralegal time required in this action.

Any information you provide will, of course, be kept confidential and you are under no obligation until we each execute a written Engagement Agreement.

Very truly yours,

JAMES K. MURPHY
